Thank you for supporting our golf tournament which benefits programs at both the elementary and Jr/Sr High Schools. Our independent and private school system encompasses Pre-Kindergarten through Grade 12, including Universal Pre-K and Montessori Pre-K. We are home to a community of more than 700 students enriching their lives through the principles of Catholic education. With more than 180 years of tradition lining our school's hallways, we pride ourselves on providing tomorrow's young men and women with a value-centered and academically challenging environment.
