

A photograph of a memorial garden. In the foreground, a black sign on a post is mounted on a stone wall. The sign has white text. Behind the wall, a grey granite pedestal holds a white bust. To the right, a planter box contains red and yellow flowers. In the background, several people are standing on a grassy area.

Margaret Durr Memorial Garden

In gratitude to Margaret Durr for her tireless efforts in support of Catholic Education, we dedicate this garden to her.

Margaret, one of the founding members of the Marian Club, began this garden to help raise funds for Marian Club Scholarships. Through her efforts, many families were able to receive the help needed to allow their children to receive a Catholic Education.
