Dear Notre Dame Supporter,

We are writing to you, a faithful supporter of Notre Dame, to ask for your help with a vital project for current and future students. As you may know, in 1991, a group of loyal Catholic education supporters started the Marian Club. Since then, under their leadership, and with the help of other members, **approximately \$500,000 in scholarship aid has been given to Notre Dame Students who had financial need.** During the 2014-15 school year, \$15,000 was awarded by the Marian Club.

Today, the Marian Club, with a current membership of approximately 30, is in dire need of new members. After many years of tireless dedication as part of the original founding membership group, Joe and Mary Lou White have indicated that they can no longer serve in their capacity. We are extremely grateful to Mr. & Mrs. White for their efforts.

As we attempt to continue the great work the Marian Club has done over the years, we are reaching out to persons like you who have been faithful Notre Dame supporters. We are asking that you and members of your family consider joining the Marian Club for 2015 by purchasing either an individual or family membership. Membership in the Marian Club will be on a sliding scale as follows:

Individual new member	\$200	Annual renewal dues	\$100
Second new family member	\$150	Annual renewal dues	\$75
Third new family member	\$100	Annual renewal dues	\$50
Four or more new members maximum	\$500	Annual renewal dues maximum	\$250

This will entitle each new individual member and/or family to one memorial brick and one admission each to the Annual Marian Club Dinner. Subsequent annual membership dues will be half of the initial membership. Ideally we hope that you would consider making a 2 to 5 year commitment of this membership so that the Marian Club can stabilize itself and can continue to contribute at least \$15,000 annually to Notre Dame students with financial need. In these difficult economic times, these awards are critical for students and families who want to receive the benefits of a Catholic education.

Attached you will find a form that you can complete and mail back to Notre Dame Jr./Sr. High School. Please prayerfully consider whether or not you would be interested in becoming a member to directly help a student with financial need and academic promise to attend Notre Dame. We thank you for your continued support of Notre Dame.

Sincerely,

Marian Club Board Members
