EDUCATION IS A RELATIONSHIP

The administration, faculty, and staff of Notre Dame Schools consider it a privilege to work with parents/guardians in the education of their children because we believe that parents/guardians are the primary educators of their children. Therefore, it is your right and your duty to become the primary role model(s) for the development of your child's life (physically, mentally, spiritually, emotionally, and psychologically). Your choice to enter into the Notre Dame Schools community involves a commitment and exhibits a concern for helping your child recognize God as the greatest good in his/her life.

We firmly believe that a good example is the strongest teacher. Your personal relationship with God, with other people, and with the church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Notre Dame Schools, we trust you will be loyal to this commitment. During these formative years, your child needs constant support from both parents/guardians and faculty/staff members in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parent/guardians, nor administrators, nor teachers can afford to doubt the sincerity of the efforts of the others in the quest of challenging, yet nourishing, the student to reach his/her God-given potential.

It is vital that all Notre Dame Schools community members, administrators, parents/guardians, and teachers, remember that allowing oneself to be caught between the student and the other partners will never have positive results. To divide authority between school and home or within the home will only teach disrespect of authority. If there is an incident at school, we trust that you as a parent(s)/guardian(s) respect the judgment of our staff and administration. Evidence of mutual respect between school and home will model healthy relationships and make it easier to foster our students, grow spiritually as well as intellectually.

INTRODUCTION

As a Roman Catholic School, Notre Dame makes a difference in the education of young people. Jesus Christ is the center of our school where emphasis is on a realization that each individual is unconditionally loved by Him. Students learn about the life of Jesus, His expressions of love for them, and His guidelines for living a life modeled upon Gospel values. A structured teaching environment, fair and respectful discipline, and high standards of academic excellence characterize Notre Dame Schools. These characteristics combine to support the college expectations of the vast majority of our graduates. National public research shows that the faith-community experience of Catholic Schools directly relates to the academic achievement of students.

The rules and regulations of Notre Dame Schools are such as to create an atmosphere which is conducive to academic, spiritual, and human development. Therefore, it is expected that every student and parent/guardian be aware of personal obligations. If the purpose for which we are here and the purpose for which Notre Dame Schools exists are to be carried out, then everyone must live and work in such a way as to serve the best interests of Notre Dame Schools as well as its individual members.

NOTRE DAME SCHOOLS

...is a unique community of students, parents, teachers and administrators, which creates a special environment that combines academic and spiritual development. This environment includes the following characteristics that are desirable for life: trust, truth, active listening, diversity, and inclusion, as well as respect.

Our curriculum, which meets the requirements of the New York State Regents and of the Roman Catholic Diocese of Syracuse, is designed to strengthen academic competencies in all students. Our goal is to develop the unique gifts and talents of each student, and to assist each student in the achievement of his or her full potential. Special emphasis is placed on the teaching of moral values, effective oral and written communication skills, critical thinking, and creative problem solving. A variety of educational techniques that include lecture, discussion, project assignments, and participatory activities are designed to ensure that the learning needs of all students are met. Faith Formation and sharing are encouraged in daily Theological classes, school wide liturgies and prayer services, as well as retreat opportunities. Campus Ministry activities support parish and community volunteer experiences that promote student awareness of the Gospel values that require a commitment to serve others.

TERMS OF ENROLLMENT

The following information sets forth the nature, dynamics, and character of the relationship between Notre Dame Schools and its students as well as their parents/guardians. This summary will allow both students and parents/guardians to clearly understand their rights and obligations while attending Notre Dame Schools and it will minimize any potential misunderstanding in this regard. It is understood that by seeking enrollment in and attending Notre Dame Schools the applicants, students, and their parents/guardians, understand and agree to this statement of rights and obligations. It is part of your agreement with Notre Dame Schools.

Notre Dame Schools warmly welcome all of the students accepted for the coming school year and will work hard to provide them with a Catholic and academic education in a supportive learning environment. It is understood and agreed by students and parents/guardians that students shall obey the Notre Dame Schools Code of Conduct, observe the rules and regulations of the school, and perform the academic work required so as to result in sufficient academic success while attending Notre Dame Schools. It is also understood and agreed that the school's students attend Notre Dame Schools at the invitation, and pursuant to any right that a student or parent/guardian may possess. The admission to and continued attendance at Notre Dame Schools requires students to behave consistently with the Code of Conduct, all other rules and regulations of the school and diocese, and in a manner befitting a student of a Catholic institution. These responsibilities exist both inside and outside of the classroom and during all school functions, whether on campus or located elsewhere.

In order to protect its standards of academics, discipline, and character, Notre Dame Schools reserves the right to require the withdrawal of any student at any time for any reason deemed sufficient in the sole discretion of the school and its administrators. Through their application enrollment into the school, all students and their parents/guardians, concede and acknowledge that the school has this right. By a student's attendance at Notre Dame Schools, he/she and his/her parents/guardians acknowledge the further important obligations and restrictions contained in the Student & Parent Handbook and agree to be bound by its terms.

Students attending Notre Dame Schools understand that they do not possess the same rights they might possess if attending a public school. For example, a student's freedom of speech is limited in many important respects at this school. Any speech, written or oral, that is contrary to the Roman Catholic faith, the teachings of the Church, the directives of the Bishop or Ordinary of the Diocese of Syracuse or contrary to the Notre Dame Schools Code of Conduct are prohibited. Likewise, speech that is contrary or disruptive to the philosophy and purpose of the school is prohibited. Participating in prohibited speech at the school may be the basis for disciplinary action up to and including suspension or expulsion.

Likewise, while students may have a constitutional right to be free of unreasonable searches and or seizures while attending a public school, they understand and agree that administrators of Notre Dame Schools or their appointees have the right to search their person or property, if an administrator, faculty/staff member reasonably believe that the search will produce evidence of a violation of a school rule, the school's Code of Conduct, or the law. Notre Dame Schools' students and their parents/guardians understand and agree that it is within the sole discretion of Notre Dame Schools administration to determine whether such a reasonable belief exists. They further understand and agree that Notre Dame Schools has the unfettered right to examine, search, or inventory a student's desk, locker, or other space provided to the student for use at the school at any time and for any reason. Moreover, if the school permits on- campus parking, students and their parents/guardians understand and agree that the school's administration has the unfettered right to search any automobile parked

upon its premises. Students have no reasonable expectation of privacy relative to any of these areas (e.g. desks, hallways, lockers, locker room areas, automobiles, baggage, or automobiles parked on school grounds, etc.).

Additionally, it is understood and agreed by students and or their parent/guardians that they waive and relinquish any right they may have to sue Notre Dame Schools, any parish, or the Diocese of Syracuse, and or any individual acting on behalf of the school, a parish, or the Diocese, such as administrators, teachers, staff, coaches, volunteers, or any of their agents relative to any matter directly or indirectly concerning academic or disciplinary decisions or matters covered with the Student & Parent Handbook.

Each student and his/her parents/guardians, by their acceptance of enrollment at Notre Dame Schools, agree that they may not bring any civil action in any local state or federal court or in any administrative agency or body to challenge any school decision relative to academics or disciplinary matters, including any decision relating to the rules, regulations, procedures, or programs covered within the Student & Parent Handbook. Students and their parent/guardians agree that any challenge to any school academic or disciplinary action, any enrollment decision, any suspension or expulsion, or any decision relating to the rules, regulations, procedures or programs covered in the Student & Parent Handbook may only be challenged or appealed within the hierarchy of Notre Dame Schools and/or the Diocese of Syracuse, subject to the limitations and processes contained within the Student & Parent Handbook.

While any students or parent/guardian of a student may consult with legal counsel relative to any decision made by Notre Dame Schools or the Diocese of Syracuse concerning a student, Notre Dame Schools emphasizes and reiterates that students and parents/guardians are not permitted to have legal counsel present during any meeting or hearing or to otherwise participate in any disciplinary process or any other proceeding or process administered by Notre Dame Schools or the Diocese of Syracuse. It is understood and agreed that school administrators are not obliged to meet with attorneys or advocates of any sort at any time.

The Student & Parent Handbook contains Notre Dame Schools' Code of Conduct and the parameters of student discipline. However, it should be noted that any listing of prohibited conduct or disciplinary consequences in the Student & Parent Handbook is only by way of illustration and example, and it is not intended or expected to be an exhaustive or exclusive list of prohibited conduct, conduct that may result in disciplinary action or consequences.

CODE OF CONDUCT

I. PURPOSE OF THIS CODE

This Code of Conduct defines Notre Dame Jr./Sr. High School's expectation of personal conduct on campus as well as while attending school functions. It also defines a range of penalties that may be administered in the event of unacceptable conduct. Unless otherwise indicated, this policy applies to the conduct of students, employees, parents and visitors committed on campus, while representing Notre Dame Schools, at school functions or that otherwise affect the school's spiritual or educational mission.

II. PHILOSOPHY

Notre Dame Jr./Sr. High School exists to create a Catholic educational community where the pursuit of academic excellence is enlightened and enlivened by faith in the Gospel of Jesus Christ. The religious and academic goals of the school challenge the students, employees, parents, and visitors to develop: the spiritual dimension of their life, high moral character, self-worth, self-discipline, respects for the dignity and rights of others, service to others, concern for the community and concern for the common good.

It is the belief of school officials that each student should be treated as a person who is responsible for his/her own behavior. The Administration will assist each student in this personal responsibility by defining some obvious rules of conduct to promote safety, respect for the rights and property of others and a moral Christian community. These rules will consistently apply to every classroom throughout the school. Students who do not accept their responsibility and who violate school rules will accept the penalties for such actions.

The Administration believes that discipline is most effective when it deals directly with the problem at the time and place that it occurs. The student then understands the discipline procedure to be fair and impartial. Therefore, before seeking outside assistance, teachers will first use all their resources to create a change in behavior in the classroom.

After the teacher has made every effort to cause positive behavioral change and has been unsuccessful, the student will be referred to the Administration. From then on, the Administration will decide what further action will be taken.

Disciplinary action, to be most effective, will be firm, fair and consistent.

B. The School's Dress Code

PHILOSOPHY

The primary mission of Notre Dame Schools is to educate the whole student in a Catholic environment that instills such values as modesty, self-discipline, professionalism, and pride. Notre Dame students, therefore, are to “dress for success”. We believe that a dress code in which modesty and non-competitive dress are the norm is conducive to an attitude and atmosphere of cooperation and ultimately, both unites our students and makes them career ready. Self-confidence and self-esteem are part of this and directly relate to appearance. A student's attire reflects upon the student as well as the school. We want our young women and men to take pride in their appearance.

All students are expected to present a modest, neat, and clean appearance at all times while being in the approved school dress code. All clothing must be clean, pressed, modestly styled, in good material condition, and properly fitted. The uniform is to be worn every school day unless an individual or the entire student body has been excused from this requirement. Additionally, the uniform must be properly worn whenever the student is on school grounds and/or representing Notre Dame High School at an officially approved activity or event.

Parents/Guardians must be aware of the dress code, ensure the approved items are purchased, and insist that their student(s) be in dress code when leaving the house each morning. Students not in compliance with the dress code policy will be provided one opportunity to become compliant. Failure to comply will result in disciplinary action. Administration reserves the right to determine what is and what is not acceptable, this includes determination of appropriateness of student dress on dress-down days.

In addition to other penalties provided herein, the principal may deny credit for work done and may also deny the right to make-up an assignment or test for Cheating, Leaving a Final Examination Without Permission, Plagiarism and other misconduct that is related to academic performance.

5. Progressive Discipline

Depending upon the nature of the violation, student discipline is progressive i.e., except in cases of very serious violations, a student's first violation will generally merit a lighter penalty than subsequent violations. The individual determining the penalty should take into account all other relevant factors in arriving at an appropriate penalty. In the event of a minor infraction every effort will be made to impose progressive discipline. In the event of a serious infraction the penalties listed below will be imposed by the administration upon a finding that the student has committed the conduct specified herein. However, the school expressly reserves the right to impose any penalty within the range set forth above for the violation of any school rule when, under the particular circumstances involved, a different penalty is justified in the judgment of the school administration.

Depending upon the nature of the violation, the possible penalties listed in Section VII below may be imposed either alone or in combination

4. Reports by Teachers

All staff members must immediately report and refer a violent student to the principal or the Superintendent for a violation of this Code. All recommendations and referrals shall be made in writing, unless the conditions underlying the recommendation or referral warrant immediate attention. In such cases, a written report is to be prepared as soon as possible by the staff member making the referral.

D. For Misconduct at a School

The principal shall be responsible for enforcing the conduct required by this Code at school functions and may designate other school employees or agents to take action consistent with this Code.

When an individual is committing prohibited conduct that, in the judgment of the principal or his or her designee, does not pose any immediate threat of injury to persons or

property, the individual shall be informed that the conduct is prohibited and asked to stop such conduct. The school official shall also warn the individual of the consequences for failing to stop. If the person refuses to stop engaging in the prohibited conduct, or if the person's conduct poses an immediate threat of injury to persons or property, the individual shall be immediately removed from school property or the school function. Students and staff who violate this Code while at a school function shall be subject to immediate ejection from the school function. If necessary, local law enforcement authorities will be contacted to assist in removing the person. The school may initiate disciplinary action against any student or staff member, as appropriate. In addition, teachers are also subject to the stipulations of their contract and Personnel Policies Handbook. Support Staff are subject to the stipulations of their Personnel Policies Handbook as well.

The authorization of visitors who violate this Code to remain on school property or at the School Function, shall be withdrawn and they shall be directed to leave the premises. If they refuse to leave, they shall be subject to ejection and to criminal and/or civil penalties as provided by law.

VIII. DISCIPLINE PROCEDURES

A. For Students

The amount of due process a student is to be afforded before a penalty may be imposed depends on the severity of the penalty. In all cases, the school employee authorized to impose the penalty must inform the student of the misconduct that he or she is alleged to have committed and must conduct an informal investigation into the facts surrounding the alleged misconduct. All students must be given an opportunity to present their version of the facts to the school personnel imposing the penalty. Additional process shall be afforded as follows:

1. For Detentions

School staff, teachers, principals, and the Superintendent(s) may use after school detention as a penalty for student misconduct. Detention will be served from 2:45 until 3:30 p.m.. Students serving detention will receive a form stating the reason for the detention that must be signed by a parent/guardian and returned to the Associate Principal before school on the next school day. **Students who receive detention will not be allowed to participate in or attend any extra-**

curricular activities, including sports, on the day that the detention is issued. Any student who willfully fails to report for an assigned detention, will be assigned an additional detention or in school suspension as determined by the principal or his/her designee.

2. For Suspensions from Athletics or Extra-curricular Activities

A student subjected to a suspension from athletic participation, extra-curricular activities or other privileges is not entitled to a full hearing. However, the student and the student's parents will be provided with a reasonable opportunity for an informal conference with the school official imposing the suspension to discuss the conduct and the penalty involved.

3. For Short-Term In-school Suspensions and Out of School Suspensions

School authorities must balance the need of individual students to attend school and the need to maintain order in the classroom to establish an environment for all students that is conducive to learning. As such, principals or the Diocesan Superintendent have the authority to place students who would otherwise be suspended from school as the result of a Code violation in "in-school suspension or out-of-school suspension."

A student subjected to a short-term in-school or out of school suspension is not entitled to a Disciplinary Conference. However, the student and the student's parent will be provided with a reasonable opportunity for an informal conference with the school official imposing the in-school suspension to discuss the conduct and the penalty. Any conditions for re-entry to school stipulated in the suspension must be satisfied before the student is readmitted to the school.

Students assigned to in or out of school suspension may also be suspended from all extracurricular activities for a period of time at the discretion of the principal and or his designee.

4. Long-term Suspensions

When the Superintendent or building principal determines that a suspension for more than five days may be warranted, he or she shall give reasonable notice to the student and the student's parents of their right to Discipline Conference at which the students and parents will be informed of the charge against the students, as well a report of the evidence given by those persons and circumstances investigated. The student and his parent will have an opportunity to respond to the charges, the evidence, request that additional witnesses or circumstances be investigated, and provide the school official with any other information the student or parent believes will help him or her understand the behavior and render a decision. Attorneys are not present at this conference.

5. Expulsions

Permanent suspension is reserved for extraordinary circumstances. When the Superintendent, building principal, or delegate determines that a expulsion might be warranted, he or she shall give reasonable notice to the student and the student's parents of the Discipline Conference at which the students and parents will be informed of the charge against the students, as well a report of the evidence given by those persons and circumstances investigated. At that time, the student and his or

her parent will have an opportunity to respond to the charges, the evidence, request that additional witnesses be interviewed, or circumstances be investigated and provide the school official with any other information the student or parent believes will help him or her understand the behavior and render a decision. Attorneys are not present at this conference.

B. Waivers of Disciplinary Conference

A student and parent may voluntarily and knowingly waive his or her right to a Disciplinary Conference. In this regard, the parents of the student will be required to sign a form documenting a request for a waiver.

C. School Employees

Administrators, teachers and support staff members are subject to the provisions of the Code as well as the provisions of their respective *Personnel Policies Handbook* and contracts and *Faculty Handbook*, if any.

Any school employee, whose conduct on school property or at a school function disrupts academic or other school activities while on school property, at school functions or at any other times violates or threatens the welfare of the person or property of others or acts in a manner contrary to the Catholic Identity of the school shall be subject to suspension and to further disciplinary action, including termination, as the facts may warrant in accordance with any legal rights to which they may be entitled.

D. For Visitors

The following procedures shall apply procedurally to violations of this Code by non-students:

1. The Executive Principal has the authority to enforce these rules and regulations. The Principal may designate such person, or persons, as he or she deems necessary, for the enforcement of these rules and regulations.
2. The Executive Principal may initiate and/or receive charges of any alleged violation of these rules and regulations and cause all investigations to be made.
3. The Executive Principal may request all lawful assistance to secure, remove, eject or otherwise prevent persons from adversely affecting public order or from materially disrupting normal school processes.
4. Enforcement of these rules and regulations against persons other than the students shall be as provided by law

IX. APPEALS TO THE IMPOSITION OF DISCIPLINE FOR STUDENTS

A. Appeals to the Assistant Superintendent for the Region of the Diocese

Appeals from all decisions of the principal relative to this Code shall be taken to the Assistant Superintendent of Catholic Schools for the respective Region of the Diocese. All appeals shall be made in writing and shall set forth the decision appealed from and the grounds for the appeal. The written appeal shall arrive no later than ten (10) business days from the date of the decision that is the subject of said appeal, unless they can show extraordinary circumstances precluding them from doing so. The Assistant Superintendent for the Region or a delegate will review the case and render a written decision.

B. Appeals to the Superintendent of Schools

Final decisions of the Assistant Superintendent for that Region of the diocese may be appealed by parents to the Diocesan Superintendent of Schools shall arrive 10 days of the decision, unless they can show extraordinary circumstances precluding them from doing so. The Diocesan Superintendent will review the case and render a written decision. This decision is binding.

X. REFERRAL TO AUTHORITIES

A. To Law Enforcement

The building principal must immediately notify the Diocesan Superintendent of those Code violations that constitute a crime and substantially affect the order or security of a school. The Superintendent or delegate is to inform the appropriate local law enforcement agency as soon as practical, but in no event later than the close of business on the day the Diocesan Superintendent or delegate learns of the violation. The notification may be made by telephone, followed by a letter mailed on the same day. The notification must identify the student(s) and explain the conduct that violated the Code and constituted a crime.

The school will immediately confiscate any weapons, alcohol or illegal substances possessed by a student and will notify the parent of the student involved in the incident. Appropriate disciplinary action will be taken, up to and including expulsion and referral for criminal prosecution.

B. To Juvenile Justice Agencies

The Diocesan Superintendent shall refer any student who is determined to have brought a weapon to school who is under the age of 16, or who is 14 or 15 years old and does not qualify for juvenile offender status under the Criminal Procedure Law to the County Attorney for a juvenile delinquency proceeding before the Family Court.

The Diocesan Superintendent shall refer a student over the age of 16 and any student 14 or 15 years old who qualifies for juvenile offender status to the appropriate law enforcement authorities for prosecution. Students 14 or 15 years old who qualify for juvenile offender status under §1.20 of the Criminal Procedure Law include those who possess a concealed firearm, machine-gun or loaded firearm on school grounds.

The Superintendent may consult the diocesan counsel if he or she has any question as to whether the student in question does qualify for juvenile offender status.

C. To Human Services Agencies

The Superintendent, principal, or delegate may make a referral of a student discipline case to an appropriate human service agency whenever, in his or her judgment, the same is warranted. The Superintendent or delegate may receive and consider the recommendations of the student's principal, teachers, counselor, school psychologist and other pupil services personnel familiar with the student in deciding whether to make such a referral and, if so, to which agency. The parent of the student shall be informed of the referral.

XI. ALTERNATIVE EDUCATION PROGRAMS

The following educational programs shall be utilized as appropriate to meet the individual needs of students:

A. For Suspended Students

When a student of any age is suspended for violation of this code, the school will take immediate steps to provide the student with adequate alternative instruction.

XII. IN-SERVICE EDUCATIONAL PROGRAM

A. Suggested Programs

The School will provide in-service education programs for all school staff members to ensure the effective implementation of this Code. The Principal may solicit the recommendations of the school staff, particularly teachers and administrators, regarding in-service programs pertaining to the management and discipline of students.

The following are suggested programs that may be utilized for in-service education for all staff members to ensure effective implementation of this Code:

1. School Oriented Programs developed at the building level.
2. Superintendent's Workshop days.
3. Building faculty meetings.
4. Assertive Discipline Programs and films presented at the building.

XIII. INTERPRETATION

A. Calculating Time Limits

When any period of time for an act to be done under this Code ends on a Saturday, Sunday or a public holiday, such act may be done on the next succeeding business day and, if the period ends at a specified hour, such act may be done at or before the same hour of such next succeeding business day.

B. "Time Out" Techniques

Nothing in this Code abridges the customary right and responsibility of a teacher to manage student behavior in the classroom. Short-term, time-honored

classroom management techniques such as "time out" in a classroom or in an administrator's office are not considered removals from class. This, however, should not become a substitute for good classroom management.

C. Authority to Suspend

Nothing in this Code abridges the customary right or responsibility of a principal to suspend a student when, in the judgment of the principal, the student's conduct warrants the same.

D. Inconsistent Provisions

To the extent that any provision of this Code regarding student behavior conflicts with any school rule, regulation or policy, the provisions of this Code shall be controlling.

To the extent that any provision of this Code regarding professional staff behavior conflicts with any school rule, regulation or policy, the provisions of this the individual's respective Personnel Policies Handbook, Faculty Handbook and contract shall be controlling.

To the extent that any provision of this Code regarding support staff behavior conflicts with any school rule, regulation or policy, the provisions of this the individual's respective Personnel Policies Handbook shall be controlling.

E. Not Exclusive

These rules and regulations and the penalties imposed hereunder shall not be deemed exclusive, nor as a limitation, waiver, or extinguishment of the school's right to utilize other available legal remedies against persons who violate this Code. The school may take additional or other legal action, as it deems appropriate or necessary to maintain public order.

COMMUNICATIONS

The primary source for school news, current events, updates, and general information is email and use of the Student/Parent FACTS system. The School Messenger service is utilized to notify and or share important information with members of the Notre Dame Schools. Notre Dame Schools website (www.notredameutica.org), as well as Facebook page, and twitter page will be used to provide news and details to Notre Dame Schools families.

Students as well as parents/guardians are able to contact teachers and staff via a diocesan email address. Personal phone numbers should not be used to conduct matters of school business with faculty and staff members. During the business week, teachers normally respond to these emails within twenty-four hours. Copies of email messages are copied to administrators and may be placed in student files for future reference.

Each Notre Dame Schools student will be issued a school email address that he/she is expected to use for all school communications. This email address is owned and monitored by the school and the diocese. Misuse and abuse of the school issued email address will result in disciplinary consequences.

Students and parents/guardians are asked to check their email on a regular basis for emails from the school as well as emails from Notre Dame Schools teachers. If emails are not received or there is a change in an email address, please notify Main Office personnel immediately. Please ensure the email address on file at Notre Dame Schools is your primary

email address. If you do not have the resources necessary to receive email, please contact Main Office personnel to arrange alternate communication methods.

CUSTODIAL RIGHTS

Notre Dame Jr./Sr. High School assumes that both parents have full parental and custodial rights. If this is not the case, the parent with custody is required to provide the school with a copy of the portion of the divorce decree or separation agreement that specifies the custodial parent of the child/children enrolled in the school. Notre Dame will abide by the requirements of the divorce decree or separation agreement. Non-custodial parents retain the right to receive information regarding the academic progress of their child/children and to receive information regarding the policies, activities, events, etc. of the school.

DIRECTORY INFORMATION

The Family Educational Rights and Privacy (FERPA) policy classifies name, address, and grade as "directory information." Under this law, this information may be released to third parties, including military recruiters, without prior parent written consent.

Parents and guardians have a right to request that directory information of their child/children not be released to military recruiters.

DRUGS AND ALCOHOL

A. DIOCESAN AND SCHOOL PHILOSOPHY

The philosophy of the Catholic Schools of the Diocese of Syracuse and Notre Dame Junior/Senior High School seeks to develop the individual student spiritually, intellectually, physically and psychologically. The fulfillment of this philosophy and mission entails the provision of an environment within which the individuals grow in their responsibility to themselves and all other persons. This atmosphere must be preserved from all unnecessary obstacles to achieving this goal.

Because the use of alcohol and drugs has been demonstrated to be a serious obstacle to the physical well-being of persons, and a serious impediment to their growth spiritually, intellectually, physically and emotionally, the following policy is prescribed for the Catholic Schools of the Diocese of Syracuse, specifically Notre Dame Junior/Senior High School.

B. POLICY

The Policy of the Catholic Schools of the Diocese of Syracuse is that the use or possession of alcohol, illegal drugs and drugs used for non-medical purposes on school property or at any school related activity by students is strictly prohibited at all times.

This prohibition extends to the use of substances mentioned above to the extent that one is under the influence, is in possession of, or is passing or selling drugs or alcohol or attempting to pass or sell alcohol or drugs.

C. DEFINITION

The term "drug", as used in this policy, means a controlled substance or other substance that acts on the central nervous system to cause unusual drowsiness,

dullness, perceptual distortion, sleep, insensibility, stimulation, pain reduction, and/or euphoria.

This definition also extends to substances defined as limitation controlled substances or substances referred to as "counterfeit" and/or "pseudo-drugs" which are commonly represented as bona fide controlled substances, illegal drugs, narcotics, stimulants and depressants.

D. GUIDELINES FOR IMPLEMENTATION:

The use of alcohol and illegal drugs is prohibited on school grounds, in school or at school functions. Any student found involved with, possessing, or selling drugs and/or alcohol at school or at a school sponsored activity (athletic or social) will be administered the following penalties.

First infraction of the use, possession or being under the influence

1. Any student suspected of using, being in possession of, or under the influence of alcohol or drugs, is to be reported to a school administrator.
2. Appropriate action based on the administrator's evaluation is then taken. If the administrator determines that the student is using, in possession of, or under the influence of alcohol or drugs, the student is to be immediately suspended by the administrator and parent(s)/guardian(s) will be contacted by phone as soon as it is practically possible. A written notification to the parent(s)/guardian(s) will also be mailed. Suspension is not to exceed five days. It is recommended that the student be placed on in-school suspension.
3. Prior to the conclusion of the suspension period, the student, the parent(s)/guardian(s) and the administrator or the administrator's delegate will meet to discuss the situation and make appropriate plans for a chemical abuse assessment and intervention.
 - a. As a condition for returning to school, it is required that the student have an appointment scheduled for a chemical abuse assessment with a professional. The administrator will provide some possible referral resources.
 - b. Also, as a condition for returning to school, parents will sign an authorization for the release of information to permit the results of the chemical abuse assessment to be shared with school officials.
4. The student is to be placed on disciplinary probation at least until the completion of the intervention program recommended as the result of the required assessment. Since the goal of this policy is to assist in the rehabilitation of students involved with alcohol or drugs, those students who fail to keep the chemical abuse assessment, fail to share the results of the chemical abuse assessment, or fail to complete the recommendations of the assessment are in violation of disciplinary probation. The violation of disciplinary probation will result in suspension and/or expulsion.

Second Infraction

1. Any student, who during the year, is found to use, possess or be under the influence of alcohol a second time will be suspended by the administrator with the possibility of expulsion. If after a parent conference, the administrator determines that the student may return to school, a chemical abuse assessment and intervention program are required as before.
2. Since this is the second infraction, the administrator will take additional appropriate disciplinary measures. If after two prior suspensions, assessments and attempts at intervention, the student is suspended for an

alcohol or drug related violation, the student is subject to expulsion following a parent conference.

The selling or passing of Alcohol/Drugs will be handled as follows:

1. If there are reasonable grounds to suspect a student of attempting to sell or to pass alcohol or drugs, he/ she is to be suspended by the administrator with the possibility of expulsion. All the procedures for suspension will be followed by the administrator.
2. If, after a conference with the student and parents, the school administrator determines that the student intended to sell or to pass alcohol or drugs, the student is to be expelled after consultation with the Area Superintendent.

E. ADDITIONAL GUIDELINES:

1. Any case deemed serious enough to warrant police intervention is to be discussed with the Area Superintendent before such action.
2. In the event of addictive behavior requiring residential treatment, the school will work with the parent(s)/guardian(s) and the staff of the treatment facility to ensure continuity in the student's educational program. At the time it is appropriate for the student to return to a regular school setting, a conference will be scheduled. At this conference, parent(s) / guardian(s), residential treatment staff person and the administrator will meet to discuss the student's status. Readmission to school is based on this conference.

ELIGIBILITY GUIDELINES FOR EXTRACURRICULAR ACTIVITIES

5 **weeks** (or as deemed necessary by an administrator) throughout the school year. If warranted, a student's eligibility status may be adjusted at that time. Ineligibility is a supportive effort to help students focus on academics. Students who earn a failing grade are ineligible for participation in any extracurricular school event or activity to include, but not limited to athletics, drama, field trips, NJROTC drill meets/practices/activities, clubs, concerts, band competition, and Semi-Formal and Prom activities. In addition, any senior failing one required course for graduation is ineligible for participation in any extracurricular school event and or activity and may lose senior academic privileges.

A student assigned to ineligible status will have the right to file an Appeal of Ineligibility. The Letter of Appeal will consist of a letter from the student identifying the course(s) of concern, associated difficulties that led to ineligibility status, measures taken by the student to help themselves, and a plan for improvement. This letter will be directed to the Associate Principal at which time a Board of Appeal may, in the view of the Associate Principal, be convened. The Board of Appeal will consist of input from assigned faculty, Director of Athletics, Director of School Counseling, the student, and additional personnel as deemed by the Associate Principal. A Board of Appeal will be convened within 2 business days (or quickly as possible) of designation of ineligibility. The result of the Board of Appeal is final. **A student remains in ineligible status until cleared by the Associate Principal.**

A 10 day window is provided to ineligible students to raise their grades. During this time, students failing one course may be approved to practice, but not perform/compete/participate in extracurricular events and or activities as deemed by the Associate Principal. Students failing two or more courses are prohibited from participating in practices, performances, competitions, in extracurricular events and or activities.

*All students will be permitted to participate in "try out" activities only regardless of eligibility status. Once the "try out" process is complete, the student-athlete returns to ineligible status.

Students who are able to raise their grades and or show demonstrative improvement in the classroom as deemed by the course instructor(s) over the 10 day period, may request

reinstatement to full-participation status. This request must be addressed to and approved by the Associate Principal.

ELIGIBILITY BOARD FOR EXTRA-CURRICULAR ACTIVITIES

1. Membership: The board is composed of the Principal, Associate Principal, Director of Guidance and counselor of the student.
2. Function:
 - a. The ordinary function of the board is to review together cases of suspension or expulsion from extra-curricular activities where an appeal has been requested.
 - b. Suspension refers to the declaration of "ineligibility" for a student from all extra-curricular activities sponsored by the school for a stipulated period.
 - c. Expulsion refers to the declaration of "ineligibility" for a student from all extra-curricular activities sponsored by the school for the duration of the current academic year.
 - d. On a given occasion, the board may invite the student, teacher, coach, moderator, and/or Athletic Director, etc., to assist in the deliberation.

EMERGENCY CONTACTS

Each parent/guardian shall provide the school with telephone numbers where they may be contacted in the event of unforeseen events or emergencies. Further, if possible, the school requests that the parent provide the name(s), address(s) and telephone number (s) of individuals who could act in the parent's absence should an unexpected event occur and the parents cannot be contacted.

EXAMINATIONS – MIDTERMS/FINALS/REGENTS

All students are required to take local, midterm, final, and Regents examinations. **When a student is too ill to take a midterm, final, or Regents examination, a doctor's note will be required as verification of the illness.** The student will be required to make up the missed examination(s) on a day designated by the administration. Regents examinations may only be given as scheduled by the New York State Education Department and cannot be made up on another day.

Students who miss a midterm, final, or Regents examination without an authorized doctor's note, may receive a grade of zero.

All students registered for (signed up) to participate in an Advanced Placement (AP) examination are required to take the examination. Registration fee will NOT be refunded!

****Students reporting for any examination are to be in the appropriate school dress code. Students that are not in school dress code will not be permitted to take the respective examination until the infraction is corrected. Rescheduling a Midterm or Final Examination due to tardiness and or failure to comply with the school dress code is NOT permitted.***

EXTRA-CURRICULAR ACTIVITIES/SCHOOL EVENTS

Students who are absent for any part of the school day may not participate in any extracurricular activity or school event on that day unless he/she has requested and received a pass from a member of the administration. Students who are chronically late for school

may be restricted from participating in extracurricular activities including trips and athletic contests at the discretion of the executive principal or his/her designee.

FIELD TRIPS

To participate in any field trip sponsored by Notre Dame Junior/Senior High School, the student must present a request form, signed by his/her parent or guardian on or before the date established by the teacher or principal. Consent of one parent is sufficient to authorize the student's participation. If deemed appropriate (e.g. trips for more than one day), the school may also request that the parent execute an authorization allowing a school employee to authorize emergency medical care for the student in the event the parent cannot be contacted.

FIRE DRILLS

A minimum of eight fire drills are required of schools each year according to New York State regulations. During a fire drill, students must walk quickly and quietly out of the building according to the assigned route. Before the room is vacated, all windows should be closed and lights turned off. Classroom doors should be closed on the way out. No one may return to the building until the entire student body has been recalled.

GRADUATION

A student who does not fulfill all graduation requirements may not participate in graduation exercises. The administrative team reserves the right to modify this policy dependent on the circumstances of the individual student.

HOMEWORK

The philosophy of Notre Dame Schools is that homework is an integral part of a student's education. Homework refers to any assignment that a student is required to do outside of regular class time. Teachers will typically provide students and parents with a course syllabus and grading policy, which will outline the teacher's homework expectations. Parents and students can refer to their FACTS and Google Classroom accounts for assignments. Homework times may vary according to subject, but students are expected to be fully prepared for their classes each day. This requires nightly home study as well as proper use of study halls. Homework is not only confined to written work. A significant part of a student's assignments should include the re-reading, studying, and reviewing of the material taught in class.

Homework is to serve one or more of the following purposes:

1. To provide drill and additional practice to strengthen new skills introduced in the classroom.
2. To complete unfinished classroom assignments.
3. To complete work on short-term or long-term projects.
4. To participate in research activities in locating facts and data.
5. To extend reading for pleasure and enjoyment.
6. To foster good study habits.
7. To encourage parent participation and cooperation through home supervision and guidance, and to become aware of what their children are learning.
8. To develop a sense of responsibility toward one's work.
9. To develop time-budgeting/management skills.
10. To reinforce a sense of responsibility towards one's work

The minimum study time for a student in grades 7 and 8 should be 1 1/ 2 hours each night. Students in grades 9 - 12 should work a minimum of 2 hours each night. This time should be devoted to reviewing notes and textbooks when the student has no written work. "I don't have any homework for tomorrow" or "I did it in school" is not a reason to eliminate the study period each night.

IMMUNIZATIONS

All students seeking admission to Notre Dame Junior/Senior High School must present certification of immunization in accordance with the Public Health Law. A student may not attend school in excess of fourteen days without presenting the appropriate certification. Proof of immunization is necessary for poliomyelitis, mumps, measles, diphtheria, rubella, and hepatitis B. The parent(s)/guardian(s) must provide either a certificate of immunization or proof from a physician that the child is in the process of receiving the required immunizations.

INTERSCHOLASTIC ATHLETICS

Participation in interscholastic athletics is a privilege for students. They in turn have a responsibility to themselves, their team, school, family, and community to maintain high standards of physical and mental fitness and citizenship thereby allowing the educational benefits of competition to accrue.

In order to try-out, practice or participate in any sport, students must have an up-to-date physical (within 12 months of the sport season) on file in the school office.

Student athletes will:

1. Conduct themselves in and out of school as responsible young adults; exercising courtesy, cooperation and honesty.
2. Not withdraw from such a team without the approval of the head coach and Athletic Director.
3. Report to every practice and game session unless absent from school or unless excused in advance by the head coach.

8. Have a physical examination within the required time period.

The failure to abide by these rules as well as any training rules communicated to a student, either orally or in writing by a head coach, may result in probation, suspension or dismissal from the team at the discretion of school officials. The parent(s)/guardian(s) of any athlete who is dismissed or suspended from a team will be notified of the reasons for the dismissal and will be permitted to meet with the Athletic Director and appropriate coaches to discuss the facts surrounding the student's dismissal or suspension. Serious or continued violations may result in probation, suspension or dismissal from the school's entire athletic program.

LEAVING SCHOOL GROUNDS

No student is to leave school grounds for any reason during the school day unless authorized to do so by school authorities.' Students who do this may be suspended.

LIBRARY/MEDIA AND INFORMATION SERVICES CENTER

4. Reference books may not be taken from the library unless the librarian has given permission.
5. Students should never bring anything to eat or drink into the media center.
6. Generally, to provide space for all students to visit the library, students may go to the library from a study hall only once per day.
7. Students are required to sign-up for library use before the start of the school day, unless granted permission by an administrator.

LITURGY AND GRADE LEVEL RETREATS

Attendance at all school Liturgies and Grade Level Retreats is **mandatory**. These are NOT optional events. Students will come to school in professional dress attire on days when Mass is celebrated as dictated by the dress code and/or administration.

LOCK IN, LOCK OUT, LOCKDOWN DRILLS

Lock In, Lock Out, and Lockdown drills will be conducted four times per year as required by New York State law. Students are expected to be orderly and quiet so that they will be able to follow the specific instructions of the teacher or other adult supervisor. Students are instructed in lockdown procedures for each classroom in which they have a class, including the gym and library, and in procedures to follow if they are in the hall. Lockdown remains in effect until a member of the administration ends the lockdown.

LOCKERS

1. The security of a student's property and locker is his/her responsibility and the school is not responsible for a student's personal property. Lockers must be locked always and combinations should not be revealed to other students. Lockers are school property and are always available for inspection.
2. Lockers on school premises are school property temporarily provided to the student to store necessary school supplies and personal items. Students should have no expectations of privacy with respect to any item stored within the school locker. The school expressly reserves the right to conduct a search of any locker on school premises at any time it deems necessary, with or without reasonable suspicion that a school rule is being violated. As a condition of enrollment, each student expressly grants to the school the right to conduct a search of his/her assigned locker at any time without prior notice or consent. If such search discloses any evidence indicating a violation of a school rule, it may be used in connection with the imposition of a disciplinary penalty and/or police notification.
3. Each student will be issued a hall locker at the beginning of the school year by the Associate Principal. The number of the locker and the lock number and combination will be kept on file in the office of the Associate Principal for emergencies. Locks will be issued by the school and students will be required to pay a minimal fee. No key locks or non-school issued locks will be allowed unless individual permission is granted by the Associate Principal. **LOCKERS ARE TO BE LOCKED AT ALL TIMES!!!**

MEDICATION FOR STUDENTS

Students who must take medication(s) during the school day must present all medications to the school nurse or an administrator with the following:

Over-the-counter medications must be in the original manufacturer's package with the student's name affixed to the container.
4. The school nurse is responsible for administering any necessary medication, if on duty. Thus, students should report to the Health Office to take medications. If the nurse is not available, students should report to the main office for administration of medication. If medical conditions require, and if the student is properly trained, a student may be permitted to self-administer medication if the proper authorizations are submitted.

MEDIA COVERAGE

Photographs and/or videos of students are taken periodically for use in school, parish, and parochial publications and to celebrate our students' participation and accomplishments in certain activities or events.

In returning an enrollment application or reapplication, a parent/guardian acknowledges this and grants permission to Notre Dame Schools and its employees to use photos and videos of your child's in school-sponsored social media posts and publications, as well as their names in publications, displays, or promotions. A parent/guardian may limit or disallow this by contacting the Executive Principal and providing him with written notice of what limitations are preferred.

Please note that even with Safe Environment protocols in effect, the Diocese of Syracuse, its parishes, schools, and ministries may have little control over the use of photographs or film taken by third parties or the media that may be covering the event in which your children (child) participate(s).

9. Fighting is a serious disruption of good order. Students who are fighting may receive suspension and be sent home immediately.
10. If a student is to be dismissed from school to attend a funeral, he/she must bring an excuse in advance.
11. In the event of the death of a member of the school community, a school administrator will determine who will attend the funeral.
12. At times, the Administration may require that a student receive professional counseling. If the parent/guardian does not follow through on this request, the student may not continue at Notre Dame Junior/Senior High School.

NON-DISCRIMINATION POLICY

The Catholic Schools of the Diocese of Syracuse commit themselves to a continued policy that there will be no discrimination because of race, color, gender, or national origin.

PARENTAL CONCERNS PROCEDURE

In order to expeditiously resolve parental concerns, complaints, or misunderstandings, parent(s)/guardian(s) are able to schedule an appointment with their student's teacher(s) through their child's Guidance Counselor to discuss the matter in private at a time when the teacher and counselor are free from scheduled duties. They may also contact a building level principal electronically using the administrators hot line on the schools website.

If the matter is not satisfactorily resolved following this discussion with the teacher and Guidance Counselor, the parent(s)/guardian(s) may schedule a mutually convenient appointment to speak with an administrator.

If the parent or guardian is not satisfied with the administrator's resolution, the parent or guardian may request in writing that the Diocesan Superintendent investigate the matter.

PLEDGE OF ALLEGIANCE & MORNING/AFTERNOON PRAYER

All faculty, staff, and student personnel are expected to stop in place and stand for the Pledge of Allegiance as well as Morning/ Afternoon Prayer while on a Notre Dame Schools campus or in attendance of or participating in a school sponsored event or activity. Students choosing not to recite the Pledge of Allegiance and or the Morning/Afternoon Prayer, will stand and remain silent until the conclusion of each.

The practice of sitting, kneeling, turning of back, performing gestures other than the placing of the right hand over the heart, causing a distraction, or leaving a classroom to avoid the observance of the Pledge of Allegiance and or Morning/ Afternoon Prayer WILL NOT BE TOLERATED.

By enrolling in Notre Dame Schools, students and parents agree to follow all policies and procedures established. Failure to comply with the same may result in disciplinary action to include disenrollment.

PHOTOGRAPHING, FILMING, AND RECORDING

Students are strictly forbidden from taking still photographs, video, or any type of recordings of any other student, staff member, teacher, or visitor on school grounds unless the photo or filming is part of a school assignment and is supervised by a faculty member. Students working on an assignment will be given a specific ID tag by the supervising teacher to be easily identified and must wear this ID while taking photos, videos, or recordings for the assignment. Any student violating this policy is to be reported immediately to the Executive Principal for disciplinary action.

PUPIL BENEFITS PLAN

The family medical coverage is the primary insurer of the student. The Pupil Benefits Insurance Plan Inc. is designed to supplement what the student's family health and accident insurance does not cover.

Students who participate in extracurricular athletics are covered through their parents' insurance as primary and then the Pupil Benefits Insurance Plan as secondary. This

plan is designed to assist in meeting the expenses of parents but is not designed to cover expensive medical care. According to Diocesan policy, students who participate in varsity football or modified football must purchase a \$45 football insurance rider before they can begin practice.

In the event an injury occurs, and a claim is necessary, it is imperative that the COACH, MODERATOR, ATHLETIC DIRECTOR, and the PLAN be notified immediately. Notification after 30 days from the date of injury will result in forfeiture of claim.

SEARCH BY SCHOOL PERSONNEL

When school officials have a reasonable suspicion that a school rule is being violated, or that illegal contraband may be concealed in a student's personal belongings, car, or on his/her person, they may act upon that suspicion without the student's consent. The resulting evidence, if any, may be used in connection with a disciplinary proceeding and/or notification to appropriate law enforcement authorities.

SENIOR EARLY DISMISSAL

The privilege of Early Dismissal is reserved for Seniors whose academic classes end before the established end of the school day. In such a case, a student exercising an Early Dismissal privilege may leave the school's campus following their final academic class. Permanent schedule changes will not be permitted for the sole purpose of a student gaining Early Dismissal. Seniors may not leave early on days that are designated by the Administration for special programs, prayer services, or assemblies. Seniors with Early Dismissal must sign out in the Main Office immediately after their last class and then immediately leave the campus upon signing out. Once a student has left the school campus he/she may not return except for an after school activity/sport and not until after the school day has finished at 2:35 p.m. Senior student-athletes need to be aware of and follow the guidelines for student-athletes found in this handbook. Seniors may lose the privilege of Early Dismissal for academic and or behavior misconduct (detention, ineligibility, required 10th period instruction, etc.).

SENIOR STUDY HALL (LIBRARY/MEDIA CENTER)

Senior Study Hall is a privilege granted to seniors who have a study hall during the day. Seniors may report directly to the Library/Media Center, during which time, seniors may listen to personal music via headphones and may use their cell phones as long as it does not become a distraction to other students or faculty members in the Library/Media Center. While in Senior Study Hall, students should not text or message other students who are in class. Students should not be taking pictures, videos, or making recordings. It is the student's responsibility to comply with all requests from faculty members in the Library/Media Center. A parent or the school may temporarily, or permanently, revoke this privilege for academic or behavioral reasons. If a parent/guardian wishes to deny or revoke this privilege, he/she must inform the administration in writing.

SEXUAL HARASSMENT

SEXUAL HARASSMENT POLICY OF SYRACUSE CATHOLIC SCHOOLS OFFICE

STATEMENT OF POLICY AND OVERVIEW

The Catholic School Office of the Diocese of Syracuse ("CSO"), and each of its component schools (individually, "School" or collectively, "Schools"), are committed to safeguarding the right of all staff and students within the school community to work and learn in an environment that is free from all forms of illegal sexual discrimination, including sexual harassment. Therefore, the Catholic Schools of the Diocese of Syracuse prohibits all behavior of a sexual nature that imposes a requirement of sexual cooperation and/or tolerance of a sexually hostile work environment as a condition of employment, pay or benefits, working conditions, academic advancement or participation in any Educational or extracurricular program, or which has the purpose or effect of creating a hostile or offensive working or learning environment.

The CSO and its Schools, through implementation of this policy, are committed to investigating all reports of sexual harassment or other illegal gender discrimination and taking prompt and appropriate action to deter, punish, and remedy any such type of conduct. Further, they expressly prohibit any form of retaliation against any student, employee, parent, volunteer, or community member because any such person has made a report of illegal sexual discrimination or harassment, as hereinafter provided, or otherwise participated in the investigation of any such report.

The Superintendent hereby charges the component school administrators with the implementation of this policy, as well as its publication to students, staff, parents and volunteers of the Schools.

DEFINITIONS

Sexual harassment can take many different forms and occur in several different settings. Accordingly, the definitions used here are intended to be illustrative, and not exclusive. Sexual harassment is generally defined as unwelcome or unwanted sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is, either explicitly or implicitly, made a condition for evaluating a student's academic progress or a student's successful completion of any course of study, educational or extra-curricular activity;
2. Submission to or rejection of such conduct by a student is used as the basis for academic or extracurricular decisions affecting such student, including the acceptance into or rejection from a course or activity;
3. Such conduct has the purpose or effect of unreasonably interfering with a student's academic performance, evaluation of a student's academic performance or progress, participation in an educational or extra-curricular activity, or creating a sexually intimidating, hostile or offensive learning environment;
4. Submission to such conduct is, either explicitly or implicitly, made a condition for continued employment, the evaluation of an employee's performance or the pay, benefits and/or working conditions of any employee;
5. Submission to or rejection of such conduct by an employee is used as a basis for

decisions affecting an employee's pay, benefits, work assignments, and/or working conditions;

6. Such conduct has the purpose or effect of unreasonably interfering with an employee's ability to perform his or her work or creates an intimidating, hostile or offensive work environment.
7. Conditions exist within the school environment that allow or foster harassing activities of a sexual nature, including but not limited to, obscene pictures, lewd jokes, sexual comments and innuendo, or, among other things, sexual advances.
8. Out of school conduct, including use of the Internet, which creates or contributes to a sexually hostile environment in school, unreasonably interfering with a student's participation in an educational program, extra-curricular activity, and/or academic performance, or an employee's work performance, pay, benefits, and/or which creates an intimidating, hostile or offensive learning or working environment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, including the creation of a hostile learning or working environment, the following are examples of conduct that may constitute sexual harassment, depending upon the totality of circumstances, the severity of the conduct and its pervasiveness:

1. Unwelcome sexual advances, regardless of whether they involve physical contact;
2. Sexual epithets, jokes, written or verbal references to sexual conduct, gossip regarding an individual's sex life; comments about an individual's body, and/or comments about an individual's sexual activity, deficiencies, or prowess;
3. Displaying sexually suggestive objects, pictures and/or cartoons;
4. Unwelcome leering, whistling, brushing against the body, sexual gestures, and suggestive or insulting comments;
5. Inquiries into one's sexual experiences; and
6. Discussion of one's sexual activities.

The CSO acknowledges that in determining whether sexual harassment has occurred, the perspective of the complaint and/or victim should be considered. While the accuser's conduct and/or intention may be considered, sexual harassment may be found even where the accused has/had no intention to sexually harass another individual.

COMPLAINT PROCEDURES AND PROHIBITION OF RETALIATION

1. Appointment of Sexual Harassment Officers

The CSO's Superintendent of Schools ("Superintendent") shall appoint a Catholic School Sexual Harassment Prevention Officer (CSSHPO) for the diocesan Catholic schools. Each School shall create the position of School Sexual Harassment Prevention Officer ("SSHPO"). At the end of each academic year, each School will submit to the CSO a list of candidates for the position of SSHPO. The CSO will thereafter designate the SSHPO for each school. In Diocesan secondary schools, at least one male and one female SSHPO will be appointed. The SSHPO(s) will serve from September through August of the next school year.

The CSSHPO and the various SSHPO's shall receive training in the area of sexual harassment prevention and proper investigation into reports of sexual harassment. Each School shall notify the CSSHPO if its SSHPO's employment should end or its SSHPO should be unable to complete his or her duties during the academic year.

2. Reports of Sexual Harassment

The CSO and its Schools strongly encourage any student or employee who has been subjected to ("subject") or otherwise witnessed ("reporter") conduct that may comprise sexual harassment to report that conduct. Any student or employee who believes that he or she has been the victim of or witness to an incident(s) of sexual harassment may report such incident(s) to the Superintendent, CSSHPO, the Diocesan Assistance Coordinator, any administrator working in the CSO, any SSHPO, School Principal, Assistant Principal or to a School Counselor.

The staff member to whom the complainant is made shall promptly report the complaint to the SSHPO and the Principal of the School where the harassment is reported to have occurred. If the complaint concerns the SSHPO, the staff member need only advise the Principal. Any staff member who fails to report a sexual harassment complaint may be subjected to disciplinary action.

The Principal shall notify the CSSHPO and Superintendent.³ In the event the report involves the Principal, the staff member receiving the report shall promptly notify the CSSHPO or the Superintendent of the report. In the event the complaint concerns the Superintendent, the CSSHPO shall notify the Chancellor of the Diocese and take such measures as are appropriate, in consultation with the Chancellor. If the CSSHPO should be the subject of the report, the Superintendent shall assume that officer's duties \ and take any other appropriate action. In all events, the CSSHPO will immediately consult with the Diocesan Assistance Coordinator to ensure compliance with the Diocesan Safe Environment Policy ("VIRTUS").

The CSO, in coordination with the Superintendent and Diocesan Assistance Coordinator, shall make a determination as to who will investigate the complaint (e.g., the Superintendent, CSSHPO, Diocesan Assistance Coordinator, a diocesan Catholic school administrator, Principal, counsel or an outside investigator or a team of these individuals). All complaints of sexual harassment will be held in confidence to the extent practicable and as permitted by law, so as to enable a thorough investigation. While the CSO and its Schools respect the privacy and anonymity of all parties and witnesses to complaints brought under this policy, they cannot guarantee confidentiality. Whenever a School or the CSO has knowledge or reason to believe that an instance of sexual harassment has occurred, the School and/or CSO shall, even in the absence of a complaint, cause a prompt and thorough investigation of any such incident.

3. Investigation of Reports of Sexual Harassment

Upon receipt of any complaint of sexual harassment, the CSSHPO will facilitate a thorough, prompt and impartial investigation of the report or complaint to be conducted. Barring extenuating circumstances, all such investigations shall be completed within 30 calendar days of receipt of a complaint or report. Such investigations shall be conducted according to this policy. It is the policy of the CSO that all complaints of sexual harassment shall be taken seriously and that an investigation shall be conducted to the fullest extent possible.

Upon completion of the investigation, the investigator shall prepare a written report that details the substance of the investigation, statements obtained, documents reviewed, the investigator's findings of fact and recommendations as to any appropriate remedial action. The investigator shall the report with the CSSHPO, who will review it for completeness. If the CSSHPO determines that additional work is required, the CSSHPO shall document what additional work is required and return the report to the investigator for completion. Upon its completion, the report shall be filed with the Superintendent's office, via the CSSHPO. The Superintendent's office shall share the report and/or the necessary content of the report, as is appropriate in each case.

As set forth below, the outcome of an investigation of a sexual harassment complaint shall be related to the accused, the reporter and/or subject and, in the case of a student, the parent/guardian of an accused or subject (individually, "Interested Party"). Such information shall be given to these individuals within 30 days of the report's completion, in summary fashion, taking care to preserve any confidential material, to the extent practicable, and consistent with the law, any relevant contract, and CSO personnel policies.

4. Corrective Action Based on Investigation

If the result of the investigation indicates that sexual harassment or other inappropriate behavior has occurred, immediate and appropriate corrective action will be taken. It is the policy of the CSO to appropriately discipline an offending individual consistent with the law, CSO policy and any applicable contract or agreement. As appropriate, the School or CSO may direct remedial training. If the alleged behavior constitutes or may constitute a crime, the Superintendent shall advise the Chancellor of the Diocese, and those Diocesan officers shall facilitate the immediate notification of the appropriate law enforcement agency.

In the event any Interested Party should disagree with the conclusions of the investigation and/or the remedial action selected, such individual may file a written

appeal of the findings to the Superintendent within 14 calendar days from the date on which the Interested Party is advised of the investigation's conclusions and the remedial action to be taken. The Superintendent shall promptly review and consider the appeal, the investigation report and any other relevant information and decide the appeal, to the extent possible, within 14 calendar days of its receipt. Thereafter, the Superintendent may amend the investigation report or alter the disposition of the matter, as appropriate, and supported by the evidence, within the Superintendent's sole discretion.

5. Prohibition of Retaliation and Follow-up to Investigation and/or Corrective Action

The CSO and the Schools prohibit any conduct that is intended, may be construed as constituting or which constitutes retaliation against a complainant or reporter for the good faith reporting of an incident pursuant to this policy, as well as against any person who testifies or otherwise provides information or otherwise assists in a sexual harassment investigation. Follow-up inquires by the appointed investigator CSSHPO,

SSHPO and/or School Principal shall be made to ensure that the reporter, subject and/or witnesses have not suffered any retaliation.

In addition, the SSHPO and/or the investigator shall follow-up with such individuals at regular intervals during the school year to determine if any enacted remedies have been effective and to insure the absence of any retaliation by any student, staff, parent or other person.

If the CSO reported the matter to a law enforcement agency, as detailed above, the Superintendent's Office shall follow-up with the appropriate law enforcement agency to determine the status and outcome of any criminal investigation or prosecution, and shall act as a liaison with such law enforcement agency to assist it in obtaining necessary information to the extent appropriate and lawful.

TRAINING AND DISTRIBUTION OF POLICY

The Catholic Schools of the Diocese of Syracuse shall provide appropriate training to staff and students regarding awareness of and sensitivity to issues involving sexual harassment, including condemnation of such conduct, the sanctions for harassment and preventive measures to help reduce incidents of sexual harassment.

A copy of this policy shall be distributed to all personnel, students and parents/guardians posted in appropriate places and included in all school handbooks.

A copy of the official Sexual Harassment Reporting Form can be found on the school web site: www.notredameutica.org.

SNOW DAYS AND SCHOOL CLOSINGS

When it becomes necessary to cancel school for the day, e.g. snow day, malfunctioning boiler, etc., the closing announcements will be announced via the school announcement system, will air on television stations WKTV and WUTR as well as several radio stations including, but not limited to, AM radio stations WIBX and WTLB and FM stations LITE 98.7, ROCK 107, WOURL 96.9, WBUG 101.1, and WFRG 104.3, usually by 6:45 A.M. Please do not call the school offices, convents, etc. to inquire about closings.

STUDENT RECORDS

Students and families whose address, phone numbers, email addresses, or other contact information change should contact the Main Office promptly to ensure that communications from the school are received.

A. Access to Records

1. Under the Freedom of Information Law, parents/legal guardians have the legal right to view any and all documents in a child's permanent record. If a parent/guardian would like to review this material, please contact the Main Office 24 hours in advance for an appointment.
2. Parents, guardians, or eligible students may inspect and review the student's educational records by requesting access in writing directed to an administrator. Upon receipt of the request, the school administrator, within a reasonable time, will schedule the inspection and review of the student's records during school hours on any day on which school is open. No student records shall be removed from school premises. Fees will be charged for any reproductions.
3. Notre Dame Junior/Senior High School will presume that the non custodial parent has the authority to request information concerning his/her child and shall release such information upon request. Additionally, we will provide the non-custodial parent with access to his/her child's educational records. If the custodial parent wishes to limit the non custodial parent's access to records, it is his/her responsibility to obtain, and present to the school, a court order or other legally binding instrument that limits or denies access.

B. Release of Records

Consistent with the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA), no part of a student's records will be divulged to any person, organization, or agency without the informed consent of the student's parent or legal

guardian (or consent of the student, if the student is 18 years of age or older). If a parent, guardian, or eligible student believes the student record contains inaccurate or misleading information, he or she may ask an administrator in writing to amend the record. Within a reasonable time, the administrator shall either: (1) amend the record as requested; or (2) inform the parent, guardian, or eligible student of his/her decision not to amend the record and the justification for that decision.

C. Transfers

When a student enrolls in another school (transfers out of N.D.), an official copy of the student's record will be sent to the new school upon receipt of a request from the parent(s)/guardian(s) or new school. No records will be sent, however, until all responsibilities to Notre Dame have been satisfied (textbooks handed in, tuition paid, etc.).

STUDY HALLS

The purpose of study hall is to provide time during the school day to either study or complete assigned coursework. All students have the right to a quiet environment in which they can successfully complete their assignments and work. In order to achieve this environment, the rules for study hall are as follows:

1. Study hall is silent. If a student has a question, ask the supervising faculty member, not a neighboring student.
2. Students will work independently at all times unless the supervising faculty member has granted a student permission to work with (an) other student(s).
3. Students will come prepared with books and materials at the beginning of the period. Visits to lockers should be limited.
4. Students will sign in and be in their assigned seat when the bell rings. Class tardy consequences as outlined in the Code of Conduct do apply to study hall as well. Students that fail to attend an assigned study hall will be treated as though they have skipped a class.
5. If a student needs to go to another teacher's classroom, he/she must have obtained a pre-signed pass before the study hall begins and present it to the supervising faculty member in order to sign out.
6. One boy and one girl may use the restroom at a time with the permission of the supervising faculty member, provided the student has his/her own planner and available passes.
7. Above all, students will listen to and follow the directions of the study hall supervisor.
8. Failure to follow the procedures for study hall will be treated as insubordination. The range of consequences for this can be found in the Code of Conduct.

TECHNOLOGY POLICY

TERMS AND CONDITIONS FOR ACCEPTABLE USE OF THE INTERNET BY STUDENTS

The Church views emerging technologies as gifts of the Spirit to this age and challenges "God's faithful people to make creative use of the new discoveries and technologies." (Aetatis Novae, #2). Developments in communications technology present new possibilities and challenges for the mission of the Church and Catholic Education.

The Catholic Schools of the Diocese of Syracuse recognize that as telecommunications and other new technologies shift the ways that information may be accessed, processed, communicated, and transferred by members of society, those changes may also alter instruction and student learning. The Catholic Schools of the Diocese of Syracuse support access by students to rich information resources along with the development by staff of appropriate skills to analyze and evaluate such resources.

In addition, educational technologies must be used, both by Catholic educators and students, in a manner that is educationally appropriate and consistent with standards of electronic ethics and copyright laws.

1. Student use of the Internet on school computer hardware on school premises, or through School obtained accounts, both on-site and through remote connections, is governed by the policies of the Catholic Schools of the Diocese of Syracuse and the local school regulations.
