

# QUESTIONS TO CONSIDER ASKING DURING YOUR SCHOOL VISIT

- What is your school mission?
- What curriculum do you use?
- What is STREAM, and how is it integrated into curriculum?
- How much is tuition and what does it include?
- Do you offer scholarships/financial aid?
- How does religion play a role in your curriculum?
- Do you offer tutoring or other support services?
- How do you integrate technology into the classroom?
- Do you offer AP and Honors classes?
- What time does school begin/end?
- What is your graduation rate?
- What percent of seniors go on to college?
- What are your class sizes and student-to-teacher ratios?
- Is there a community service requirement?
- What professional development opportunities are available for faculty?
- What is your approach to student safety?
- What is your approach to discipline?
- What kind of facilities do you have? Is there a gymnasium, library, music room, etc.?
- Is transportation available?
- What extracurricular activities do you offer?
- How can parents get involved in school life?
- What is the uniform/dress code?
